

First Parish Church

We love our music. We love our community. We love our families. Put all three of these things together and what do you get? Well, one possible outcome is a warm summer afternoon in Masconomo Park, listening to some wonderful music, catching up with family and friends, and letting kids be kids.

We're proud and happy that we're able to support the Music in Masconomo Park concert series this summer -- each Tuesday, 6pm to 8pm, from July 6th to August 17th. If you've seen and experienced this concert series before, make sure you stop by again this season. If you're new to our community, bring a lawn chair, picnic blanket or just a beach towel, and see what it's about. You won't regret it. Here's a link for more information: http://www.manchester.ma.us/Pages/ManchesterMA_Recreation/summerconcerts. And, be sure to join us on July 13th for a special concert by Dan Holden, the son of our very own Wendy Manninen.

Dan will be performing with La Petite Chorale, present some of his own music students, and then perform with his band. As a surprise guest singer, you'll also be hearing a superb voice from First Parish's choir loft -- the voice of Rebecca Shrimpton, perform "Hallelujah" with Dan. Plus, our Youth group will be handing out complimentary tastes of two heavenly ice cream flavors, "Holy

Roller” and “Turtles in Paradise”, which Captain Dusty is making just for this concert.

It promises to be a lot of fun and a great opportunity to share the spirit of summer in our community.

*Faithfully yours,
Rev. John Hughes*
